

•MAKE EVERY DAY.
PULSE
Extraordinary.

Have you ever wanted that perfect glass, that can make every beverage inviting, and suited for every occasion?

‘PULSE’ is defined as a short burst of sound, electric current, light, or wave, in this case is the implication of the spark that motivate you every day.

The collection was designed to “**Make every day extraordinary**” with a minimal-classic design perfect for daily personal use as well as to serve guests at home, or for service in modern and refreshing cafés, restaurants, and bars.

The collection of minimalist pattern design glasses comes in
