

**MY
DRAP**

MY DRAP

MY DRAP is the detail that makes a difference.

Those of us who use **MY DRAP** are elegant, fun-loving and spontaneous... but, above all, **we are sociable and detail oriented.** We like to share and offer our guests experiences and times that they will never forget.

We care about setting our tables and accompanying our dishes with original and unique accessories that reflect our personalities. And we are also very practical.

For this reason, we now present our **100% cotton and linen washable placemats and napkins** in a pre-cut roll.

Our commitment **to sustainability** has motivated us to design and add more products produced **from recycled cotton**, both with prints and in basic solid colours, which are soft and pleasant to the touch.

And, like always, we assure that even **the smallest details are absolutely perfect.**
